

Amadeus Diamond

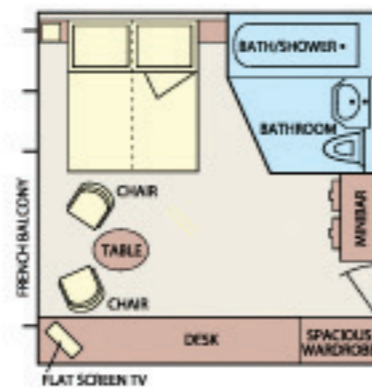

One of Europe's Finest French Balcony Ships

Your Suite is your spacious home away from home, containing all the refinements of a luxury 5-star hotel. Every cabin is equipped with hotel-style beds (they can be kept separate or put together as you wish), private ensuite bathroom, air conditioning (individually adjustable), TV, Infotainment and a sitting area with a table and chairs. All cabins on the Mozart and Strauss decks have large French balconies with floor-to-ceiling windows that stretch across the whole cabin. Cabins on the Haydn deck have fixed windows.

Luxury Owners Suites

For an extra touch of luxury and the ultimate in cruising indulgence, try one of our owners suites, with space rarely found on other ships. Measuring up to 236 sq.ft (22sq.m), the Owner's Suites represent the ultimate in spaciousness. The extra floor space is a benefit and it means that your Suite contains all the luxuries of a French Balcony stateroom and a lot more.

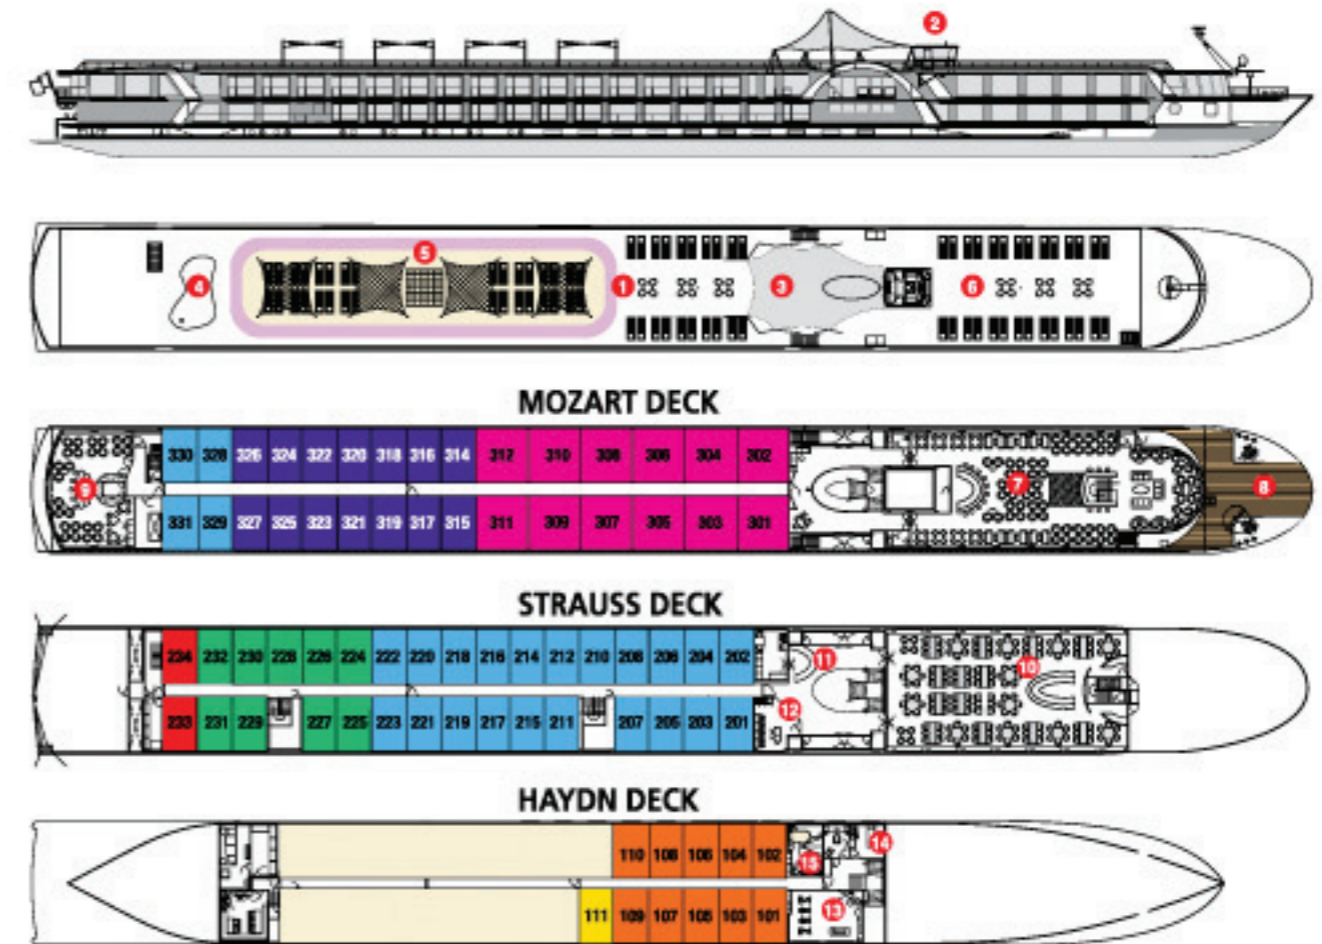

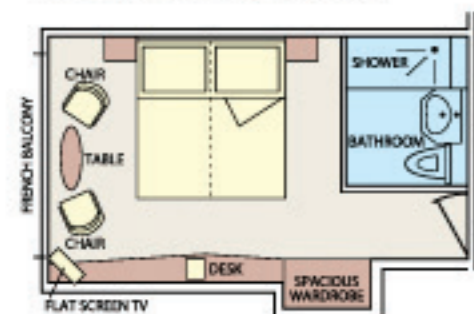

French Balcony Stateroom

Measuring up to 161 sq. ft (15sq.m), our all-weather French Balcony staterooms (83% of cabins) are located on the Strauss and Mozart Decks and offer exceptional comfort and the undeniable appeal of unimpeded views to the ever-changing landscapes of Europe.

Standard Stateroom

Measuring up to 161 sq. ft (15sq.m), the standard staterooms are located on the Haydn Deck. Though the cabin size and interior fixtures are identical to the French balcony stateroom, the difference is in the windows, as all Standard staterooms have fixed windows (do not open).
